Dear Parents

Greetings from SURAJ!!!!

Vacations are not only meant to explore the world outside but also are an opportunity to rediscover ourselves while we stay at home. So, embark on a journey of fun and adventure by reading books, exercising, meditating, dancing and channelizing your energy in a positive manner.

General Instructions for Students

Here are the ways by which you can make your holidays fun and learn at the same time.

- ☐ **Play indoor games like Ludo, Carom Board, Scrabble, Chess, etc.**
- ☐ **Help your parents with small household chores like cleaning the cupboards, watering the plants, making the bed, etc. It is an opportunity for you to show your love, concern, and support to your parents who have been taking care of you during the course of the Academic Year.**
- ☐ **Holiday Home Work should be done as per the instructions given.**
- ☐ **Read a newspaper daily.**
- ☐ **Revise all the concepts done so far.**

General Instructions for Parents

- **Parents are requested to encourage their ward to do their homework independently.**
- **Parents can extend guidance to their children, if needed.**
- **Creativity and originality of the work will be appreciated.**
- **Control Screen Time: Do not let children spend too much time playing video games and mobile phones instead encourage them to take up creative pursuits.**

Please note that it is **COMPULSORY TO COMPLETE THE HOLIDAY HOMEWORK AS THIS WILL BE A PART OF THE EVALUATION.**

Last but not least, Smile and face the challenges bravely as "Smile is the only curve which straightens everything." Have an enjoyable Summer Vacation. Stay Safe.

Regards
