Dear Parents

Greetings from SURAJ!!!!

Vacations are not only meant to explore the world outside but also are an opportunity to rediscover ourselves while we stay at home. So, embark on a journey of fun and adventure by reading books, exercising, meditating, dancing and channelizing your energy in a positive manner.

General Instructions for Students

Here are the ways by which you can make your holidays fun and learn at the same time.

- **Play indoor games like Ludo, Carom Board, Scrabble, Chess, etc.**
- **Help your parents with small household chores like cleaning the cupboards, watering the plants, making the bed, etc. It is an opportunity for you to show your love, concern, and support to your parents who have been taking care of you during the course of the Academic Year.**
- **Holiday Home Work should be done as per the instructions given.**
- **Read a newspaper daily.**
- **Revise all the concepts done so far.**

General Instructions for Parents

- **Parents are requested to encourage their ward to do their homework independently.**
- **Parents can extend guidance to their children, if needed.**
- **Creativity and originality of the work will be appreciated.**
- **Control Screen Time: Do not let children spend too much time playing video games and mobile phones instead encourage them to take up creative pursuits.**

Please note that it is COMPULSORY TO COMPLETE THE HOLIDAY HOMEWORK AS THIS WILL BE A PART OF THE EVALUATION.

Last but not least, Smile and face the challenges bravely as "Smile is the only curve which straightens everything." Have an enjoyable Summer Vacation. Stay Safe.

Regards

LEARNING THROUGH ART:

1. CD Wall Hanging

Turn discarded, scratched CDs into sparkling room decorations using scraps of colored paper.

Materials needed:

- Old, unplayable CD
- Scraps of colored chart paper or construction paper
- Old greeting cards or magazine cutouts
- Sparkles/glitter (optional)
- Glue
- Yarn or ribbon

Steps:

1. **Prepare the shapes:** Have your child draw and cut out simple shapes (like flowers, stars, or geometric shapes) from colored paper or old greeting cards.
2. **Decorate the CD:** Help your child glue the paper cutouts onto the shiny side of the CD.
3. **Add flair:** Let them apply small dots of glue to the empty spaces on the CD and sprinkle them with glitter.
4. **Attach the hanger:** Cut an 8-inch piece of yarn, loop it, and glue the ends to the back of the CD so it can be hung on the wall.

2. HOW TO MAKE HUT WITH MATCHSTICKS:

Step 1: Base Frame

- Glue matchsticks into a square. Add 4 vertical sticks at corners.

Step 2: Walls + Roof Frame

- Stick vertical rows of matchsticks for walls. Create a triangular roof frame.

Step 3: Add Roof Panels

- Use matchsticks side by side to complete the sloped roof.

Step 4: Details

- Add a window cutout & front platform. Let it dry completely.

3. PAPER ROSETTE BEDGE FOR FATHER'S DAY:

Step-by-Step Instructions

1. **Prepare the Rosette Base:** Take two long, rectangular strips of colored paper. Fold them back and forth in an accordion or zig-zag style.
2. **Form a Circle:** Glue the ends of the folded strips together to form a beautiful, ruffled circular fan (the rosette).
3. **Make the Ribbons:** Cut two small, rectangular strips of a contrasting color. Cut a triangle shape out of the bottom of each strip to make ribbon tails, and glue them to the back of your rosette fan.
4. **Create the Centerpiece:** Give the child a circular piece of white or yellow paper. Let them draw a portrait of their dad, a "No. 1 Dad" message, or their handprint inside the circle.
5. **Assemble the Badge:** Glue this decorated circle right onto the center of the ruffled rosette fan.
6. **Add the Handle:** Attach a popsicle stick to the back of the badge so Dad can hold it up like an award, or carefully glue a safety pin on the back to wear it.
